Kidgoo 2 Lite

THE ENTRY POINT INTO VERSATILITY.

Do You want the full Kidgoo DNA with a focus on what really matters in everyday life? Then the Kidgoo Lite is exactly Your model. It combines modern Kidgoo design with well-thought-out functionality and gets You reliably through every day, whether on the way to daycare, out for a walk or on Your next bike ride. The most important safety and comfort features in proven Qeridoo quality – at a price that makes entering the Kidgoo world especially attractive.

WELL THOUGHT OUT DOWN TO THE LAST DETAIL.

With the 360° swivel, air-filled buggy wheel with walker mode, You're always flexible on the go. The leaf spring damping system provides noticeably smooth running and protects little passengers even on uneven terrain. The 3-in-1 canopy offers reliable protection against insects, sun and splash water, so You're ready to go in any weather.

THE KIDGOO LITE ALSO SHOWS ITS STRENGTHS WHEN IT COMES TO HANDLING.

The becco coupling system enables quick and easy coupling and uncoupling. The height-adjustable push handle with rollover protection provides comfort and additional safety. The wheel deflector with integrated buggy wheel holder is especially practical for everyday use: this keeps the buggy wheel safely stored and always within easy reach whenever You spontaneously switch between modes.

Inside, You'll find a comfortable seating solution with integrated back protectors as well as an adjustable headrest for extra support – ideal when Your children relax or fall asleep on the go. The 5-point safety harness ensures a secure fit and easy handling.

SAFE ON THE GO – FULLY QERIDOO

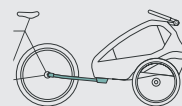

The sturdy aluminium frame, patented head protectors and well-thought-out safety features provide an all-round safe riding experience, on every journey. The 360° ventilation system with manual climate control also creates a pleasant climate inside the cabin.

Numerous storage options and the spacious XL trunk give You exactly the flexibility You need in everyday life.

The Kidgoo Lite is the ideal choice for anyone who values quality, safety and functionality and consciously chooses a clear, everyday-ready equipment package.

Available as a single-seater for €650 RRP in Titanium Grey and as a two-seater for €700 RRP in the colours Steel Grey, Navy Blue, Ivy Green and Titanium Grey.
